

OFFICE OF THE INSPECTOR GENERAL “EYE ON OVERSIGHT”

In its ongoing mission to protect the integrity of Department of Health and Human Services Programs, which include Medicare and Medicaid, the Office of the Inspector General, Department of Health and Human Services, introduced "Eye on Oversight". This monthly video series highlights emerging healthcare problems or trends with social or financial impact that could negatively impact the public. The brief videos can be a valuable resource when used by providers to gain insight on compliance and other healthcare-related topics that are of interest to the OIG.

The videos will remain on the OIG's website indefinitely and are not copyrighted.

Some topics are listed below by month of publication:

Exclusions – January 2016

Provider Self-Disclosure Protocol – September 2016

Home Health Fraud: June 2016

Kickbacks to Physicians: May 2016

Dangerous Drugs - Opioids: April 2016

Medicare Part D Fraud: February 2016
